Using gift aid means that for every pound you give, we get an extra 28 pence from the HM Revenue and Customs, helping your donation go further. All you have to do is sign below to agree to let us claim gift aid on any donation you may have made for the six years prior to this year and any future donations you may make from the date of this declaration until you notify us otherwise, and we will do the rest. You must be a UK taxpayer and pay an amount of income tax or capital gains tax in the current year equal to the tax we reclaim on your donation.
