Please see below a list in alphabetical order of the postcode areas our face to face fundraisers are working in this week. Whilst every effort is made to keep this list up to date, on occasions it may be necessary for fundraisers to move areas last minute. Please do not worry if you have been called upon and your postcode is not shown below, simply call our friendly Supporter Care team on 0207 554 5985 who will be able to look into this for you.

Please remember that our charity shops and care centres will not have the most up to date information on this fundraising activity.
