the risk of Covid-19

Five steps to safer working together

- We have carried out a **Covid-19 risk assessment** and shared the results with the people who work here
- We have **cleaning, handwashing and hygiene procedures** in line with guidance
- We have taken all reasonable steps to **help people work from home**
- We have taken all reasonable steps to maintain a **2m (6.5 ft) distance** in the workplace
- Where people cannot be 2m apart, we have done everything practical to **manage transmission risk**
