Hannah’s story

Hannah who is a Community Clinical Nurse Specialist at Wheatfields Hospice decided to celebrate her 40th birthday by signing up to some impressive challenges to raise funds for the charity. She took part in the one-mile Great North Swim at Lake Windermere in June 2021.

Hannah said: “I try and exercise regularly, but I’m not exactly sporty and to be honest I was totally winging it with the swimming! I’ve never done the Great North Swim before but the atmosphere was so positive. The weather was perfect, it was a gorgeous sunny day, and having our friends and family there supporting us was great.”

Hannah with her colleague Julie and friend Kelly swam their mile together and raised over £1,600 for Sue Ryder Wheatfields Hospice. “We are very proud of ourselves, and each other!”

Hannah was also a member of a large team taking on the Great North Run in support of the hospice in September 2021. The mother-of-two started running after she had her children, now aged nine and 11. For Hannah, who has been part of the Wheatfields community team for six years supporting patients with life-limiting illnesses in their homes in south Leeds, it is a cause close to her heart.
