Read Sophia’s inspiring story as to why she took on Starlight Hike in memory of her Dad

We’re lucky to have a wide range of amazing supporters here at Sue Ryder, who take part in some extraordinary challenges to help us to be there when it matters most.

Sophia previously took part in our in memory walk, Starlight Hike. “I thought it was something fun to do in the evening and there would be great camaraderie coming together with others”. “I haven’t had anyone cared for by Sue Ryder but I knew I wanted to do this in memory of Dad. I recently lost my Dad and I am still going through the grieving process”. Sophia hoped that by taking part and raising funds, Sue Ryder could provide expert care and help fill another family’s final days with love.

“Dad has left a huge void in our lives. After his death, so many people got in touch to tell us how helpful and committed he was”. “I have always been a Muslim. I pray five times a day and during our last prayer at night I look towards heaven and see the stars. I know Dad is up there with loved ones. It is my belief that I will meet him again one day. When I walked Starlight Hike, I looked up to the stars and remembered him”.

If you’ve been inspired and would like to support Sue Ryder in your own way, do get in touch with the fundraising team on the details below.
